[] Called Ron Tammen, on the staff of Senator William Proxmire (D., Wisc.), and we chatted briefly about the Director's briefing of Senator Proxmire's Joint Economic Committee Subcommittee on Priorities and Economy in Government. 8. [] Met briefly with Clark McFadden, Senate^{25X1}
Armed Services Committee staff, and provided him with a copy of the
Director's letter to ~~Elmer Staats on the GAO audit issue~~. McFadden men-
tioned that copies of the Director's letter to Chairman John C. Stennis
(D., Miss.) on the subject of the Soviet presence in the Indian Ocean were
shown to members of the full committee at a meeting this morning.
McFadden said Senator Stennis thought it was a good letter and it received
no adverse criticism except by one member who took particular note of the
section referring to the likelihood of proportionate Soviet reaction to any
significant increase of U. S. presence in the area.

I talked to McFadden about developments in the House with respect
to a Select Committee on Intelligence and we discussed the prospects for the
establishment of a joint committee. In the course of this conversation
McFadden restated a position I have previously heard Senator Stennis state
personally, which is that he would not contest establishment of a joint
committee on intelligence so long as the Armed Services Committee's
legislative oversight of intelligence agencies is retained.

that he had been seen by Fritz Schwartz and David Aaron of the Senate Select
Committee staff today, and mentioned that Schwartz would probably be calling
the Director. Angleton asked me who he should notify and I suggested that
he call Mr. Knoche.

I said we did have hookups with certain elements of the intelligence community on certain foreign intelligence matters. I said we hope to have a more complete answer on these questions raised on behalf of Louise Becker, Library of Congress, early next week. 25X1
